

The Alabama Sheriffs Association PCA Pro Rodeo is currently accepting vendor applications.

Please fill out the Vendor Application and return it to LIBBY.SHEPHERD@ALABAMASHERIFFS.ORG

Your application only shows your interest in becoming a vendor/exhibitor. It is not a contract for a booth nor does it guarantee you a space. Applications will be reviewed and, if approved, available spaces will be filled in the order the applications were received. Please be sure to include pictures of your product display. Only complete applications with display photos attached will be considered.

Once you're assigned a space, you will receive a contract. Booth rent is due in full when you return your contract. Deposits/partial payments will not be accepted. No money is due until you receive a contract for a booth

Vendors must provide proof of liability insurance and provide The Alabama Sheriffs Association with all necessary state, county and municipal licenses/permits.

All vendors/exhibitors must be in full operation and have a representative working their booth during all hours the rodeo is open to the public each day.

The National Peanut Festival has an exclusive agreement with Buffalo Rock /Pepsi. All soft drinks, sports drinks, teas and lemonades sold by vendors must be purchases from Buffalo Rock for events held on the fairgrounds.

*The National Peanut Festival has a strict "No Weapons" policy. This includes the selling of knives, swords, pepper spray, stun guns or any item that could use to inflict pain or injury on another person. **THERE ARE NO EXCEPTIONS!** Booths are checked periodically and violators will be removed from the NPF Fairgrounds and forfeit any fees paid.*
