*Certified Instructor*

*As a retired police chief with the Foley Police Department, I have been blessed to get to work with some of the best men and women in the law enforcement career field. It is my blessing to come to work with these men and women every day. We built a leadership team that is second to none and we provided a Police Service we are proud of. We have had much success with transformational leadership.*

*As a member of the John Maxwell Leadership team and Founder of Legacy Leadership Services, I strongly believe and have much experience in team building and establishing inner circles that transform managers into leaders and then leaders who make a difference every single day. Success is learned.*
